

Supplementary Information Document (SID)

The information contained in this document is effective from **13/12/19**.

This Supplementary Information Document (SID) provides additional useful information that you should be aware of before investing with Slater Investments Limited. It should be read in conjunction with the relevant Key Investor Information Document (KIID). The terms in this SID form part of the terms of your investment with Slater Investments Limited ("Slater") in a Slater Fund.

More information about the individual Slater Funds is available in the latest version of the full Prospectus relating to that fund, which can be found on our website: www.slaterinvestments.com. If, after reading this document, you have any further questions, please consult your authorised Financial Adviser in the first instance, or contact us using the details below. Please note, we cannot give you any advice as to whether a particular investment is suitable for you.

Buying and Selling Units/Shares

Can I buy units/shares?

You may buy units/shares in the Slater Funds if you are aged 18 or over. You may buy units/shares within an ISA, further details are given later in this document. You may invest on behalf of a child in an adult's name by designating the account for the child or by investing in a Junior ISA. The minimum investment for each fund can be found in the relevant Slater Fund Factsheet.

How do I invest?

Please complete the appropriate application form and send it by post to your Professional Adviser or to Slater Investments Limited together with payment, in the form of either a wire transfer or a sterling cheque from a UK bank made payable to Slater Investments Limited, for the full amount. You may buy further units/shares in the same way. Alternatively, you may telephone our Dealing Team on +44 (0) 203 8931001 for further information. Calls to this line may be recorded for your protection. It is important that you read the latest KIID for a Slater Fund before you make any investment or top-ups. We will ask you to confirm that you have done this before accepting an investment from you.

What happens next?

We will place your deal straight away, unless you have an ISA where the investment will be made once we are in receipt of cleared funds, and we will send you a contract note. This will give you all the details about your investment such as the number of units/shares you receive, the price you paid and the date your investment was made. You should keep this document safe for future reference. For details of the valuation point for each Slater Fund please refer to the relevant KIID.

Can I switch between different funds?

Yes, you may switch from one Slater Fund to another by completing our transfer application form or you may telephone our Dealing Team on +44 (0) 203 8931001. If you place the deal by telephone we will require written confirmation by post. We will sell your existing units/shares and buy your new ones simultaneously at the next available valuation point.

How do I sell my units/shares?

You can instruct us to sell some or all of your units/shares at any time, either by writing to us (your instruction must be signed) or by calling our Dealing Team on +44 (0) 203 8931001. If you instruct us by telephone you will be required to sign and return a renunciation form before we can pay you. This will be sent to you with your contract note, which will be sent the day after your units/shares are sold. Providing that we have received your signed confirmation we will send you the payment on the fourth business day after the valuation point at which the units/shares were sold. Otherwise payment will be made four business days after receipt of the confirmation.

Swing Pricing - Single Priced Funds

We may swing the price of shares in the Fund. We will calculate the NAV for the Fund and then, if we consider appropriate, we may swing the NAV-based single price according to the rate of the applicable dilution adjustment. The determination to swing the share price in respect of the Fund will be made following a consideration of the dealing activity (i.e. purchases or redemptions) in the Fund on that dealing day. An adjusted price will be the price of shares in the Fund for all deals that day. We will then swing the price whenever there are net purchases or net redemptions on any dealing day which exceed 0.25% of the NAV of the Fund. However, we may, in our discretion, decide not to swing the price on any day if we determine that continuing investors in the Fund will not normally be materially adversely affected. Full details are available in the Fund Prospectus.

Regular Savings

You may invest in the funds by making regular, monthly contributions by Direct Debit. The minimum amount that you may invest each month is £100. There is no maximum amount. Please complete the appropriate application form and send it by post to your Professional Adviser or to Slater Investments Limited together with payment, in the form of either a wire transfer or a sterling cheque from a UK bank made payable to Slater Investments Limited, for your first instalment. Your initial investment will be made at the next valuation point following our receipt of your application form and cheque except in the case of an ISA investor, where the initial investment will only be made when we are in receipt of cleared funds. Subsequent investments will then be made each month by direct debit. We will write to you to confirm your application and the date that your direct debit will be taken.

Cancellation Rights

If you have received investment advice we will send you a letter detailing your cancellation rights. This means that you will have 14 days from the day you receive our letter in which to cancel your investment should you change your mind. You can do this by completing the cancellation notice we send you and returning it to us in the post. We will then send the amount you invested back to you. If the value of your investment has decreased you may not get back the full amount you invested; an amount equal to the fall in value will be deducted from the amount you originally invested. If your investment has not been paid in full, you will still have to pay us the amount of the fall. Cancellation rights do not apply to business or professional investors.

Investment Advice

Slater Investments Limited does not provide any investment advice to investors. If you need advice or are unsure about the suitability of an investment you should contact a Financial Adviser.

Keeping Track of your Investment

You may telephone our Customer Support Team on +44 (0) 203 8931001 to request a valuation of your investments with Slater. You will also be sent annual and half yearly short reports for the Slater Funds you have invested in. Slater Fund prices are available on our website www.slaterinvestments.com along with other useful information. We also publish some price information in the Financial Times.

Making a Complaint

At Slater Investments Limited we try our very best to ensure we provide the high level of service that we ourselves would expect to receive. We recognise however that sometimes you may not be completely satisfied and have cause to complain. If this is the case we would encourage you to write to our Compliance Officer at Slater Investments Limited, Nicholas House, 3 Laurence Pountney Hill, London, EC4R 0EU with details of your complaint. We will then carry out a full investigation and respond to you as soon as possible. Full details of our complaints procedure are available on request. If you are not satisfied with our response you may then contact the Financial Ombudsman Service, Exchange Tower, London, E14 9SR (+44 (0) 207 6941000) who may then review your complaint independently.

Compensation

Slater Investments Limited is covered by the Financial Services Compensation Scheme. You may be entitled to compensation from the scheme if Slater cannot meet its obligations. This depends on the type of business and the circumstances of the claim. Most types of investment business are covered for 100% of the first £50,000. Further information about compensation arrangements is available from the Financial Services Compensation Scheme at www.fscs.org.uk.

Data Protection

Slater Investments Limited is registered with the Information Commissioners Office (ICO). It will process your personal data in line with the provisions of data protection legislation. With your consent, we will not share your personal details with any third party without your prior consent. If you have any queries about data protection issues or would like further details on Slater Investment Limited's obligations to you and your rights, please write to us and request a copy of our 'Privacy Policy - General' at: Operations, Slater Investments Limited, Nicholas House, 3 Laurence Pountney Hill, London, EC4R 0EU.

Regulatory Status

The Funds are authorised collective investment schemes as defined in the Financial Services and Markets Act 2000 and are regulated by the Financial Conduct Authority. The Funds are all authorised Unit Trusts or OEICs and are governed by the Collective Investment Schemes (COLL) Sourcebook and their respective Trust Deed or Instrument of Incorporation. All documentation will be provided in English and contracts are subject to English law.

Anti-Money Laundering/Combating Terrorist Financing

Money laundering regulations require financial service companies to make checks on the source of all new business. All applications will be processed on receipt, however we reserve the right not to issue units/shares to you nor make payments in respect of your investment until satisfactory proof of your identity is obtained. We will verify the identity of all investors and beneficial owners by checking details on various databases via a credit reference agency. This will not have any impact on your credit score. It will be an identity verification check only, not a credit check. If we are unable to verify your identity in this way we will contact you to request further documentation. Overseas investors should contact us to discuss documentation which may be sent. If you have any queries on money laundering prevention please call us on +44 (0) 207 2209460.

Client Money

Interest

There is no interest paid on money we hold for you as Client Money under the Client Money Rules.

Unclaimed Client Money

You agree that we may, in our sole discretion, decide to pay away to a registered charity of our choice any balance of money we hold for you as client money where in compliance with the Client Money Rules: (1) we have held the balance of money for you for at least six years following our last transaction with you; (2) we have taken reasonable steps to trace you and return the balance; and (3) we unconditionally undertake to pay you a sum equal to the balance paid away to charity should you seek to claim the balance thereafter. The balance released to a charity in these circumstances will cease to be client money under the Client Money Rules.

Transfer of Business

You agree that, as part of any transfer of all or part of our business to a third party, we may transfer any sum of money we hold for you in connection with that business as client money under the Client Money Rules to the third party, so long as (1) the sums transferred will be held by the third party in accordance with the Client Money Rules; and (2) if not held in accordance with the Client Money Rules (for example, where the third party is not regulated by the FCA), we exercise all due skill, care and diligence in assessing whether the third party will apply adequate measures to protect those sums. We will ensure that, prior to any transfer of sums to a third party under this paragraph, we satisfy ourselves that your money will continue to be protected in an equivalent matter as if we had continued to hold it ourselves.

Client Classification

All investors are classified as Retail Investors.

Conflicts of Interest

We operate a Conflicts of Interest Policy which sets out how we monitor, manage and minimise any potential conflicts of interest. Our policy and associated procedures aim to ensure that any conflicts of interest which may arise between Slater, our investors or our employees are efficiently managed and that we treat our customers fairly.

Investing via a Stocks & Shares ISA

What is an ISA?

From 1 July 2014 ISAs were reformed into a simpler product, the New ISA (NISA). All existing ISAs became NISAs and account holders will now benefit from new flexibility in relation to their accounts, as well as an increased overall subscription limit of £20,000.

An ISA is a scheme for investment managed in accordance with the ISA Regulations under terms agreed between the ISA Manager and the Investor (ISA Terms and Conditions).

Income and gains generated by ISA investments are exempt from any further UK income tax as well as capital gains tax in the hands of the investor.

Anyone aged 18 or over may invest in an ISA, provided they are resident in the UK for tax purposes. This includes members of the armed forces, the Foreign Office and other Crown employees together with their spouses or those in a civil partnership overseas.

There are two ISA components available; a stocks & shares ISA and a cash ISA. Slater Investments Limited only offers the stocks & shares component in the form of funds it manages although you may open a cash ISA with a different provider up to the limits detailed below. Each tax year you may open one stocks & shares ISA and one cash ISA only. You may also transfer existing ISAs from previous tax years between providers without affecting your current year's allowance.

With Slater, you can invest up to £20,000 for 2019/2020 in a stocks & shares ISA, providing you have not contributed to another stocks & shares ISA with another provider already in the tax year.

The limits are also inclusive of any cash ISA you may hold in the tax year meaning the total you may invest in a stocks & shares ISA is as previously stated less any amount invested in a cash ISA. The below illustration gives examples of the limits for cash and stocks & shares ISAs in the tax year 2019/2020:

- If you invest £20,000 in a stocks & shares ISA, you may not invest any money into a cash ISA in this tax year.
- If you have £20,000 in a cash ISA, you may not invest in a stocks & shares ISA in this tax year.
- You may invest any combination you choose, provided that you do not pay in more than the overall ISA limit of £20,000 within the tax year (6 April 2019 to 5 April 2020).

The maximum amount that you may invest in an ISA will increase by the rate of inflation (as measured by the Retail Price Index) each year. You may contact us or your Professional Adviser for the latest applicable limits.

How do I invest via a Slater Stocks & Shares ISA?

You may invest by completing an ISA Application Form, which can be obtained from our website, or by calling our Investor Support Team on +44 (0) 207 2209365. We are not able to accept deals over the telephone. Your investment will be made at the next available valuation point on receipt of an accepted Application Form, all required identity information and on receipt of cleared funds, in the same way as with a direct investment.

Can I transfer an existing ISA to Slater?

Yes. As well as opening a new ISA each tax year you may also transfer any existing ISAs to a new provider. To transfer an existing ISA to Slater Investments Limited you must complete the ISA transfer section of our application form. You may also transfer a cash ISA to a stocks & shares ISA, either from a previous tax year or from the current tax year. Doing so does not affect your cash ISA allowance for the current tax year, provided you have no more than the maximum permitted at any time in the tax year.

How does tax affect my ISA?

Any capital gains or income from investments in an ISA are free from Income Tax and Capital Gains Tax. If your Slater Fund pays interest distributions they are paid without deduction of income tax at 20%. When income is reinvested we will use the gross distribution to buy additional units/shares for you at the next valuation point after the payment date. All dividend income from your fund(s) will be paid as gross.

Are there any additional risks associated with investing in a Slater ISA?

The risks are the same as those associated with all stock market investments and with the specific Slater Fund(s) you choose. These can be found in the Prospectus of the Slater Funds. In addition, it should be noted that the favourable tax treatment given to ISAs may not be maintained. The rates of and relief from taxation depend on your own circumstances and may change over time.

Regular Savings ISA

You may also invest in the Slater Funds by making regular, monthly contributions into an ISA. The minimum subscription for this is £100 per month and the maximum is £1,666 for 2019/2020 subject to the overall ISA investment limits. As with regular savings outside an ISA, you will be sent a statement showing your transactions twice each year. When you apply for regular savings within an ISA you do so by making a continuous application. This means that you will continue making contributions each year without needing to complete a new application form. If you wish to cancel your regular savings ISA or sell the units/shares you hold with us you will need to write to us with your instructions. You will also need to cancel the direct debit instruction with your bank.

How do I sell my Slater ISA?

You may sell all or part of your ISA holding with Slater by writing to us, ensuring your instruction is signed, or by calling our Dealing Team on +44 (0) 203 8931001. We will transfer the proceeds within four business days of receiving signed confirmation. If you wish to transfer your Slater ISA to another manager, the new manager will usually provide a form for you to complete and send to them. They will then instruct Slater to sell your holding and we will transfer the proceeds to them.

Can I withdraw my application? (Cancellation Rights)

If you receive advice when you invest in an ISA with Slater, we will give you 14 days in which to change your mind and cancel your investment. You will receive a letter from us detailing your cancellation rights. It is important to note that if you cancel an ISA transfer you may lose the tax exempt ISA status of your investment.

What happens in the event of my death?

If we receive notification of your death, your ISA will be closed and will cease to benefit from any tax advantages from the date of your death. We will provide appropriate statements with regards to your account and any relevant tax certificates to your personal representatives in accordance with the ISA Regulations.

Junior ISA

Slater Investments also offers Junior Stocks & Shares ISAs, further details are available on our website (www.slaterinvestments.com) or by calling +44 (0) 207 2209365.

ISA & JISA Terms and Conditions

Full ISA & JISA Terms and Conditions are available from Slater Investments Limited on request or via www.slaterinvestments.com.

Online Dealing

How and where can I place a deal online?

The Slater Investments website provides the functionality for an investment in the Slater Funds. You will be required to provide the same information that is asked for in the Application Form. To complete an online application, visit our website www.slaterinvestments.com. Payment will need to be made by debit card **only** or, for regular savings, by Direct Debit. Slater Investments may contact you after the investment instruction has been sent in order to ask you to provide additional documentation for anti-money laundering purposes (for more information, please read the stand-alone 'Verifying Your Identity Explained' booklet that can be found in the Key Documents section of our website).

What happens when I place a deal online?

Once you have placed your deal online, you, as the investor, will receive an automated email from both Worldpay, to confirm your monetary transaction, and Slater Investments, to confirm your investment selection. Your deal will be placed in the relevant Fund at the next [available] valuation point. Please note that Slater Investments reserve the right to reject any deal prior to settlement.

Immediately after confirming payment, the monies will show as a 'Pending Transaction' in your bank account. The monies will remain as such until three business days after, at which point they will be sent directly to Slater Investments' segregated client account.

Online Security

Slater Investments take the utmost effort to maintain customer confidentiality when processing online orders and payments. All information entered during the online application process is encrypted, and no record of the information you enter is stored on our website. For more information please visit www.slaterinvestments.com/online-security.

Payment Merchant

Slater Investments uses Worldpay (<https://www.worldpay.com/en-gb>) as the payment merchant for all online payment transactions. Worldpay is authorised by the Financial Conduct Authority under the Payment Service Regulations 2017 for the provision of payment services
